Children's Assent Form

We are

[Insert thefollowing if your project uses a survey R]emember, that survey questions are only about what you think. There are no right or wrong answers because this is not a test.

You can askus question sabout the study at any time/e will try to explain everything that is being done and why.

Signing this paper means that you have read this **paper** it read to you and that you want to be in the study. If you don't want to be in the study, don't sign the paper. Remember, being in the study is up to you, and no one will be mad if you don't sign this paper or even if you change your mind later.
