Prep Materials for Professional Programs

Need to prep for the GMAT, LSAT, MCAT, GRE or PCAT? While we don't offer tutoring for professional programs, we have some books or study guides to help you prep. Speak to the ARC Director if you are interested in renting some materials from us!

Academic Skills Coaching

Whether it's learning to manage your testing anxiety or learning about time management, ARC personnel can meet with you several times each semester regarding tools that students need to succeed in college. Let us be your academic coach and we can tell you—play by play—what you can do to optimize y
